Caring for Adolescents and Young Adults with Disordered Eating: A Multidisciplinary Training (virtual)

May 23, 2022, 9:00 AM – 4:00 PM

With presenters from the UVMMC Eating Disorder Consultation Clinic, The Adams Center, UVM, and panelists from the field.

Learning Objectives

By the end of the conference, participants will have:

• Learned how to apply a multi-disciplinary approach to caring for adolescents and young adults with disordered eating
• Identified best practices for case conceptualization, assessment, and intervention to apply in their work
• Distinguished terms and phrasing to use/avoid
• Gained strategies for effective family engagement
• Connected with professionals from their own and other disciplines

Agenda

• Using a Multidisciplinary Approach in Care
• Case Conceptualization, Assessment, and Brief Overview of Best Practice Treatment Approaches
• The Weight of our Words: Reduce Stigma, Reduce Shame
• Engaging Family in Treatment
• Lived Experiences of Patients and Families
• Panel Discussion of Multidisciplinary Care
• Discipline Break-out Discussions
